## Notes

A Brief Mass Setting for Voices and Organ provides a sonorous accompanied setting of the Eucharist. The choir/cantor/congregational unison parts are melodious and unified by recurring thematic materials. In all movements unison voice lines are doubled by the organ accompaniment for strong vocal support. This revised setting offers an eloquent enhancement to celebrations of [Rite II] Eucharists.

The **Gloria** appears in a thematic ABA' format, with an added **Amen**. The **Kyrie** (“Lord, have mercy”) and **Alleluia** share one musical setting, a responsorial chant between cantor — or choir — and congregation. Likewise, the **Memorial Acclamation** (“Christ has died...”) and **Amen** both share responsorial settings. The **Sanctus** (“Holy, holy”) borrows freely from thematic materials presented in the “Lamb of God” text (derived from the mid-section of the **Gloria**). Those motifs return once more in the **Agnus Dei** (or “Lamb of God”) setting.
